

Important Events

Anti-Bullying Week is 13-17th November 2017

We will be visiting Wood Green cinema on Thursday 16th November 2017 for Into Film festival.

We will be visiting Wood Green bus garage on 24th November.

Our class assembly is Friday 8th December 2017

Homework

Literacy and Numeracy homework will be sent out **every FRIDAY**. We will collect homework from the children on **WEDNESDAY mornings**.

Home readers need to be completed daily and signed weekly by a Parent/Carer.

This term the children will be exploring Football and Gymnastics
Children must bring their **complete PE kit every DAY**.

Year 1 Costa Rica Autumn 2 Term Curriculum Newsletter

Dear Parents and Carers,

What a busy start to the year we've had! We are looking forward to a busy and productive half-term ahead.

We have lots of interesting and new topics to cover this term while continuing our focus on houses and homes.

Should you have any concerns or wish to talk to us about your child's progress, please feel free to speak to us. We are available to talk after school on most days.

Information about what your child will learn this half term is on the inside of this booklet.

We look forward to working with you and your child.

Miss Rose and Vicky

We will be in groups for Literacy and will follow the Read Write Inc. scheme. We will be learning our set 2 and set 3 sounds and practice blending our sounds to help us read. We will be retelling stories with familiar settings.

A setting is a place in a story. Where are your favourite stories set?

We will be working on our number bonds to numbers to 20. We will be using manipulatives to help us add and subtract from 20 and solve simple word problems. We will also look at 2d and 3d shapes and finding half of an object, shape or quantity

As Scientists we will be learning about Animals including humans. We will be looking at identifying a variety of common animals including fish, amphibians, reptiles, birds and mammals. We will group animals including humans by what they eat; herbivores, carnivores and omnivores.

What animals can you see as you walk to school? Can you name them?

Numeracy
Number bonds to 20
Shape and space

Science
Animals including humans

Literacy
Phonics
Retelling stories with familiar settings

Houses and Homes

ICT
We will begin to look at coding and online

PSHE & RE
RE: We will be learning about Judaism.
PSHE: We will be thinking about staying safe

The Arts
Designing and creating houses.

Humanities
Geography
Learning about the British Isles and how to read and locate places on a map

Physical Development

We will be thinking about where we live, finding England and London on a map and drawing maps of our local area.
Can you find Great Britain on a map?

As artists, we will be designing and building houses.
Do save some boxes for our DT project?

In P.E. we will be continuing with gymnastics, focusing on balance and movement. For games, we will be doing football.
