

## Important Events

**Friday 24<sup>th</sup> November:** Chile Class Assembly

**Friday 17<sup>th</sup> November:** Year 2 Trip to Cineworld Wood Green

**20<sup>th</sup> December 2017:** School closes for Christmas Holidays

**4<sup>th</sup> January 2018:** Return for start of Spring Term

## Homework

Spellings and maths homework will be sent out **every Friday**. Homework should be handed in on the following by the following Thursday.

Spellings will be sent out every **week** and tested at the end of the week.

Home readers need to be completed daily and signed weekly by a Parent/Carer. Children are also encouraged to write to us in their home readers!

## PE

This term the children will be exploring **gymnastics** and **football**.

Children must bring their **complete PE kit every DAY**.

## **Year Two Autumn 2 Term Curriculum Newsletter**

Dear Parents and Carers,

Welcome to the start of a busy half term back at Alexandra Primary! I hope you all had a restful week and are ready to dive into the second half of this term.

We have lots of interesting and new topics to cover this term with a particular focus on Wood Green and our local area. Please ensure that your child is reading and practising times tables every evening.

Should you have any concerns or wish to talk to us about your child's progress, please feel free to speak to us. We are available to talk after school on most days.

Information about what your child will learn this half term is on the inside of this booklet.

We look forward to working with you and your child.  
Mrs Beare and Kehinde

As mathematicians we will be continuing to work on our addition and subtraction within 100. We will be working on using empty number lines to check our work, as well as using lots of resources around the classroom to help us.

**Can you write all your bonds to 20?**

As scientists we will be continuing to investigate the use of everyday materials in our lives. We will be conducting experiments and learning about what makes a fair test. **What different materials can you find around your home?**

### Numeracy

Addition and subtraction within 100, reasoning about and comparing numbers.

### Science

Everyday Materials

### Computing

Coding.

Using iPads and cameras to capture our learning.

### Topic

Wood Green

### Physical Development

Gymnastics and football

### The Arts

The Big Draw  
Sketching

### Literacy

Traditional tales, writing letters.

### PSHE & RE

RE: Celebrations in different faiths  
SEAL: Anti-Bulling  
PSHE: Staying safe

We will be taking part in a whole school project called The Big Draw in our first week back. We will be practising our sketching skills around the local area.

**What is your favourite thing to draw?**  
**Can you draw a picture without taking your pencil off the page?**

We will be continuing to refine our gymnastic skills, working on different ways of travelling, balancing, rolling and jumping. We will also be practising our football skills. **Do you know any football skills you could teach someone at home?**

We will be learning all about Wood Green and the local area. We will be exploring the local area and visiting local landmarks. **Can you find out when Wood Green Shopping City was built?**
