

Primary Sports & PE Funding

The government is providing additional PE & Sport funding for the academic year 2015 - 2016 to continue improving provision of physical education (PE) and sport in primary schools. Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

At Alexandra primary school we are committed to ensuring our children understand the importance of being active, having a healthy lifestyle and enjoy sports and games activities.

PE and sport premium allocation 2015/16 - £9,263

At Alexandra Primary School we use the funding to make additional and sustainable improvements to the quality of PE and sport.

The premium is used to:

- develop or add to the PE and sport activities we already offer
- make improvements now that will benefit pupils joining the school in future years

The funding will be used in the following ways to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- run sport competitions
- increase pupils' participation in the [School Games](#)
- run sports activities with other schools

Impact

- The school will measure the impact of the sports fund grant spending at the end of 2015/16 through pupil interview, staff skills audits, analysis of attendance at clubs and activities.
- All of our class teachers had opportunities to work with a specialist sports coach to develop their skills in teaching physical education including 1:1 coaching and whole school training. The areas covered demonstrates a wide range of skills and techniques being shared and modelled with teachers showing increased confidence in teaching key skills in these areas.
- Our school was entered into inter school sports competitions (see table below).
- Affordable after School clubs run by sports coaches every week and very well attended. Pupil evaluations were highly positive.
