

## Writing

Below are some activities you can use when learning at home.

We expect you to write 3 pieces of writing a week.

Make sure you write at least a page worth for each piece.

1

### Diary Entry

Write a diary entry on what is happening in the news with the coronavirus.

How did it start?

What is happening?

What are the politicians saying about it?

How do you feel about it?

What do you think will happen next?

### Instructions

#### Character description

Imagine your own superhero. What do they look like?

What super powers do they have?

Do they have a day job?

What do they enjoy to do?

Are they good or bad?

Draw a picture of your superhero and write a character description.

## Looking After a Miptor

Imagine that you are the owner of an unusual animal called a miptor.

You have cared for this animal for a long time. During this time, you have become an expert in looking after it.

Your task is to write a guide for looking after a miptor.

You should think about the advice and information that a new owner of a miptor would need to know.

You must use your imagination to make up the details.

#### Poetry

Write a poem based on this image.

You could include: adjectives, rhyming words, alliteration, onomatopoeia, figurative language.

Rainbows in the sky reminders of you  
Always feeling sheltered with the colours  
shining through  
In my psyche you are here  
Never gone and always near  
Bow down to the earth when the colours  
give their birth  
Over the sky see the stripes flutter by  
Walking solitude inside the rainbow with  
you as my guide  
Someone to shine over me

Examples  
of poems:

#### Rainbow Poem

Rainbow Rainbow,  
Where do you end,  
With a pot of money at the end,  
Wish it rains all the time,  
So we can see those bright colours,  
Shining in you.
