

## Home Learning Work Book

- Please complete all work in this book.
- Encourage the children to complete their work independently
- The children need to practise number and letter formation daily.
- Phonics sounds also need to be practised daily
- Please write the date for each piece of work

Maths	<p>Recognise numbers up to 20            Count up to 20 and back down.            Count on from any number, not always from 1            Add numbers together using counters or objects (numbers under 10 or under 20)            Subtract numbers using objects (numbers under 10 or under 20)            Measure things around the home using hand spans or footsteps.eg How many hand spans long?            Compare the weight of different objects. Which is heavier, which is lighter? Can you put three or four objects in order from lightest to heaviest.            In the sink or the bath, fill or empty different containers. Talk about whether they are full or empty. Which holds the most?            Practice forming numbers daily (sheet in back of book)            Play shops with real money and coins up to the value of 20p            Talk about positional language- eg on top, under, behind, next to</p>
Speaking and listening	<p>Tell stories            Retell favourite stories            Sing songs and talk about rhymes</p>
Literacy	<p>Practice forming letters daily (sheet in back of book). Say the rhymes as you form the letters            Write a story            Write a letter            Write a shopping a shopping list            Draw pictures            Label items around the home</p>
Reading	<p>Read to your child every day. Ask questions about the story and the characters            Talk to them about the story and the characters.            Encourage them to sound out words if they are able.            Encourage children to act the story in a role play.            Could they draw a story map which tells the story in pictures?            Retell Traditional Tales</p>
Understanding of the world (Science)	<p>Choose a topic that interests them eg Bears, Africa, Space and do some research. Draw pictures and find out some fact together.            Use recyclable materials to make models            Grow plants from seeds or cuttings eg a carrot top. Watch it grow            If you have a garden spend time in the garden- gardening, looking at bugs and nature</p>
Art	<p>Draw, paint, colour in Make playdough,            Practice cutting out</p>
Being active	<p>Run, skip , hop, catch balls, play Twister, dance to different rhythms of music</p>
Turn taking and getting on with others	<p>Play board games- Connect 4, Snakes and Ladders, dominoes, Noughts and Crosses, jigsaw puzzles            Make lego or duplo models            Cook and bake together- talk about the recipes, get children to help with weighing the ingredients</p>
TV/ Internet	<p>Ensure that you monitor how much screen time children have. Watch children's TV eg Cbeebies            Use websites that you know and trust. (see attached list)            Twinkl – free subscription to parents and teachers during coronavirus  <a href="http://www.twinkl.co.uk">www.twinkl.co.uk</a> Offer code CVDTWINKLHELPS  <a href="https://www.youtube.com/results?sp=mAEB&amp;search_query=jack+hartmann+count+to+100">https://www.youtube.com/results?sp=mAEB&amp;search_query=jack+hartmann+count+to+100</a>  <a href="https://www.gruffalo.com/activities/activities">https://www.gruffalo.com/activities/activities</a></p>
