water

How to Grow Seeds

Your teacher brings a packet of flower seeds to school for your class to grow.

Task

Your task is to write the instructions for planting the seeds.

Last term we plants seeds. What did you need? Use the picture above to help you.

How did you plant the seed? Use the pictures below to help you.

List what you need:

Instructions:

Task 2 Diary of Growing a Sunflower

Imagine that you have planted a sunflower and are watching it grow each day.

Can you write a diary about how your sunflower grows?

Watch this video that shows how a sunflower grows.

https://www.youtube.com/watch?v=yPq_4aZRvSM

Use the pictures below and the word bank to help you.

Task 3 A poem about a sunflower

Can you write a poem about a sunflower?

Read the poems below. Can you spot the rhyming words?

A Little Seed

A little seed for me to sow
A little soil to make it grow
A little hole, a little pat,
A little wish, and that is that,
A little sun, a little shower.
A little while -
And then, a flower!

Sunflower

Sunflower, sunflower, standing straight and tall,
Sunflower, sunflower, you're the tallest flower of all!
Sunflower, sunflower, when your seeds fall to the ground,
Sunflower, sunflower, by the squirrels they'll be found!

Can you write a poem that is similar to one of these?

Or can you write an acrostic poem? Take each letter of the word Sunflower and think of a word or phrase, that starts with that letter, to describe a sunflower.

Sunshine

Up to the sky

Nodding

Fiery

Lovely

Over our heads

Wonderful

Extremely tall

Radiant
