Floating and Sinking

Fill a bowl with some water and collect some objects from around your house.

Which ones will float and which will sink?

Here's a few suggestions for you to try:- a spoon, a cork, some scrunched up tin foil, a spoon, a pencil, a small ball, an apple, a cork.

Can you make a chart and draw and write which will float and sink

Make a boat

Think about which materials were good at floating. Can you make a boat that can float for 3 minutes.

Can it hold some of your toys like marbles or lego bricks.

Draw the best boat you make and label it. Why do you think it is good at floating.

Help the pirates

Draw a map for the pirates to find some buried treasure on a desert island.

Can you write a pirate story?

Once upon a time a fierce pirate.....

Different types of boats

Look at the power point about all the different ways to travel on water. Which is your favourite?

Why would you like to travel this way?

Design an amazing boat?

What sort of things will your boat have? What will make it amazing? Draw and label your boat.
