WC 17<sup>th</sup> May- Walk to School Week

WC 24<sup>th</sup> May- Families Week

Friday 28<sup>th</sup> May- Last day of Summer 1

Monday 7<sup>th</sup> June- INSET Day- School closed to children

Tuesday 8<sup>th</sup> June- Summer 1 term begins

## Homework

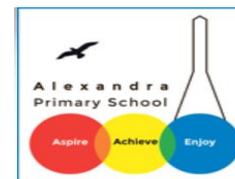

Homework is handed out on Friday and should be returned the following Wednesday. Homework will consist of tasks that will consolidate the work the children have learned that week and from time to time, a challenge related to their topics. A regular part of homework will be weekly spellings, we will be testing children on these on a daily basis. All homework will now be on **google classrooms**. Children will have lessons in class on how to upload work.

It is also essential that your child reads daily for at least 30 minutes. Reading is a fantastic way for your children to expand their vocabulary, increase their knowledge and improve their writing. Please also ensure that your child is practicing their times tables **every day**.

**It is important that your child does their homework - please help them by making sure they have time to do it.**

This term the children will be learning how to play Goalball and doing athletics. PE lessons will take place on **Tuesday and Friday for El Salvador** and **Thursday and Friday for Espana**.

Your child's P.E kit must contain a white t-shirt and either blue or black shorts or tracksuit bottoms. plimsolls or plain trainers must be worn during all P.E lessons. **P.E kits must only be brought in on the day of P.E and taken home on the same day to be washed.**

## Year Six Summer Term Curriculum Newsletter

### Letting Go and Moving On...

It has been wonderful to have all the children back at school and we have been really impressed with their attitudes and the resilience they have displayed. This term, we have done additional PSHCE lessons to explore our experiences throughout lockdown. It is important that the children had a chance to reflect and share their experiences as well focus on the future and moving on. We created class poems and individual poems which will be published in our We are Writer's Book.

We would like to thank all our pupils who raised money for charity on Red Nose Day by dressing up as their favourite superhero characters and honouring NHS heroes.

In the current situation, if you wish to talk to us about your child you should ring the office to let them know and we will then call you back.

Year 6 team: Mrs Spencer, Miss Ahmet, Miss Seymour, Ms Calin, Miss Farhana and Mr Steven.

In English, we will be writing first person narratives on one of our focus texts, 'Skellig' by David Almond. We will also be exploring newspaper articles focussed on the 'Magna Carta Chronicles.' Our focus for SPAG will be writing for a range of purposes and using specific formalities in writing.

As mathematicians, our focus will be on written methods for both multiplication and division. They will continue to learn how to compare, simplify and multiply fractions.

As scientists, we will be learning about light and looking into scientific evidence. Our focus will be on how light travels- researching how we see light and recording data using diagrams.

English  
First Person Narrative/  
Newspaper articles

Maths  
Place Value/ Fractions/  
Mental Strategies

Science  
Light

This term our topic is called 'You and Me'. This is about reflecting on aspects of our cultural heritage including the diversity of cultures that contribute to London.

In R.E, the focus will be Humanism and exploring the question, 'What do different religions believe about life after death?'

R.E  
Humanism

# Year Six

Music  
History  
The Magna Carta

Espana will be continuing with learning how to play the guitar and El Salvador will be learning about music technology

In computing this term our focus is spreadsheets. Children will explore data and formulas and create their own spreadsheets to plan an event. This will then be used to help them present data to the class.

Computing  
Spreadsheets

As historians, we will be enriching our knowledge about the Magna Carta. We will look at King John and the document and the influence it has had on today's world and society as we know it.

Art

Rights  
Respecting

P.E

In PE, we will be learning how to play goalball and our outdoor sport will be athletics.

In art, we will be exploring different collage techniques.

Article 6 (life, survival and development) Every child has the right to life and development. Governments must do all they can to ensure that children survive and develop to their full potential.
