## HARINGEY LIBRARIES "WORDS ARE OUR FRIENDS"

We choose our words,  
to build our smiles,  
:- To escape our tears  
-: To support our hopes,  
expressions,  
expectations!

We are our thoughts,  
If we can remain still... in the chaos  
And focus  
we can choose our attitude,  
Our stance .....,  
Build some Confidence  
...for this world!

Let's find :-
