It is an Employee's responsibility to monitor the hours they work and ensure they are rested and refreshed to be able to carry out their role. safety requirements.

Suitable protective equipment must be worn where provided and appropriate. Uniforms should be worn where provided.

Employees should wear their identity badges at all times.

Employees must not wear clothes with political or other contentious slogans.

The school recognises the diversity of cultures and religions of its Employees and will take a sensitive approach where this affects dress and uniform requirements.

Staff are expected to adhere to the same standard of appearance when delivering online or virtual teaching.

The school is a no-smoking establishment. Smoking and the use of e-cigarettes or “vaping” is not allowed on school premises. Staff should refrain from smoking immediately outside of the school entrances.

Employees must not consume/use alcohol, illicit drugs or other illegal substances in the workplace or be under the influence of such substances whilst at work.

All enquiries from the media should be directed to the Headteacher.

Employees should not make contact with or comment to the media about matters relating to the School without the prior approval of the Headteacher.

Employees should speak to the Headteacher in the first instance about any concerns they have regarding their own employment or operation of the school and/or may refer to the School's Whistleblowing or the Grievance policies if they wish to raise a formal complaint.

Should an Employee speak directly to the media about non-school matters, care should be taken to ensure that it is clear that any opinions expressed are personal and that the individual is not acting on behalf of or representing the school.

Any contact with the media in a personal capacity should be compatible with the Employee's role and their position working with children/young people or in a school setting and must not negatively impact on the reputation of the Council and the school.

Whistleblowing

Employees may raise concerns about any aspect of the operation of the School which is not directly related to their own employment through the Whistleblowing Policy.

Employees raising a concern with reasonable grounds for doing so will not be subject to discrimination, harassment or victimisation.

Please also refer to the School Whistleblowing Policy.

Failure to follow the Code of Conduct may result in disciplinary action, including dismissal. Employees should ensure they are familiar with type of conduct which may be regarded as a breach of School/Council rules.

Examples of behaviours which are likely to be regarded to constitute misconduct are set out in the Appendix to the School's Discipline and Conduct Policy and Procedure. Allegations of misconduct will be managed in accordance with this procedure.

B. Safeguarding Pupils

General Obligations

All Employees have a responsibility to:

- Safeguard pupils from physical abuse, sexual abuse, emotional abuse and neglect
- Promote the welfare of pupils and provide a safe environment in which children can learn
- Identify children who may be in need of extra help or who are suffering, or are likely to suffer, significant harm

All Employees must ensure they have read, understood and comply with:

- Part 1 of Keeping Children Safe in Education. [Keeping children safe in education 2022 \(publishing.service.gov.uk\)](https://www.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/65252/keeping-children-safe-in-education-2022.pdf)
- The School's Behaviour Management Policy
- School Physical Handling Policy
- School Restraint Policy
- School Safeguarding Policy
- Additionally, Employees with managerial responsibilities must ensure they comply with the School's procedure for Managing Allegations Against Staff and Parts 2-4 of Keeping Children Safe in Education and Safeguarding Procedures for Managing Allegations Against Staff

Employees must attend and comply with any training as required by the School associated with the safeguarding of pupils.

Appropriate Relationships with Pupils

Employees must maintain appropriate professional boundaries with pupils.

Employees are expected to act in an open and transparent way that would not lead any reasonable person to suspect their actions or intent. In order to protect both children and themselves, Employees should also avoid behaviour that might be misinterpreted by others.

Any sexual behaviour by a member of staff with or towards a child is unacceptable. It is an offence for a member of staff in a position of trust to engage in sexual activity with a child under 18 years of age.

Sexual activity with a child is a matter for criminal and disciplinary procedures. Engaging in sexual activity with a young person over 18 years of age who is still a student at the school will also be regarded as unacceptable and a member of staff who does so will be subject to disciplinary procedures.

Staff must avoid any form of touch or comment which is, or may be considered indecent and should avoid any form of communication with a child which could be interpreted as sexually suggestive, provocative or give rise to speculation. Sexual matters should not be discussed with or in the presence of children other than within agreed curriculum content or as part of their recognised job role.

Social Contact Outside the Workplace

It is recognised that staff may have genuine pre-existing friendships and social contact with parents of children, independent of the professional relationship.

Staff should recognise that some types of social contact with children or their families could be perceived as harmful or exerting inappropriate influence on children, and may bring the school into disrepute.

If a child or parent seeks to establish social contact, or if this occurs coincidentally, the member of staff should consult with their line manager at the first opportunity.

As part of their professional role some staff may be required to support a parent/carer. Should the parent/carer seek to extend this support outside of the agreed professional role, this should be immediately discussed with the Headteacher and if necessary referrals made to the appropriate support agency.

Transporting Children

In certain situations, staff or volunteers may be required or offer to transport children as part of their work. As with any other activity the employer has a duty to carry out a risk assessment covering the health and safety of their staff and to manage any known risks. Staff should not offer lifts to children, unless this has been agreed by the Headteacher where no other alternative is available.

Staff should never offer to transport children outside of their normal working duties, other than in an emergency or where not doing so would mean the child may be at risk. In these situations, the matter should be recorded and reported to both the Headteacher and the child's parents/carers.

Physical Contact

The experience of physical contact is a subjective issue and will be experienced by each child differently according to their experiences. This is an area that can lead to misinterpretation and allegations of inappropriate behaviour. It is therefore essential that staff consider why they need to touch a child and whether it is necessary.

There are occasions when it is entirely appropriate and proper for staff to have physical contact with children, however, it is crucial that they only do so in ways appropriate to their professional role and in relation to the child's individual needs, age, stage of development and any agreed care plan.

It is not possible to be specific about the appropriateness of each physical contact, since an action that is appropriate with one child, in one set of circumstances, may not be appropriate in another, or with a different child.

Home visits

All work with children and parents should usually be undertaken in the school or other recognised workplace. There are, however, occasions, in response to an urgent, unplanned or specific situation or job role, where it is necessary to make either one-off or regular home visits.

A risk assessment must be completed prior to the visit taking place to safeguard both staff and children. Consideration should be given to any circumstance which may put the member of staff in a vulnerable position.

One-to-one situations

Whenever working in a one-to-one situation a risk assessment relating to the specific nature and implications of the one-to-one should be undertaken. Staff should ensure that wherever possible there is visual access and/or an open door. Use of 'engaged' or equivalent signs should be avoided as this could lead to an interpretation of secrecy. If a child becomes distressed or angry during a one-to-one session this should always be reported.

Allegations against Members of Staff and Volunteers

All Employees have a duty to report to the Headteacher/DSL at the earliest opportunity the conduct of a colleague which may place a child at risk.

Where the concerns relate to the Headteacher these should be reported to the chair of governors.

Failure to report such concerns may be regarded as a disciplinary matter.

C. ICT and Social Media

General obligations

Employees should ensure that they have read, understand and comply with the School's ICT Acceptable Use Policy at all times.

Whilst at work or using a work device all Employees must:

- Not post images of work colleagues without permission.
- Not access or update personal social media sites using school devices / during working time

Employees should not make contact with student / pupils or parents via social media accounts or have these individuals as social media 'friends' / 'contacts'.

Employees should seek guidance from their Headteacher if they are unclear about the conduct or actions expected of them.

Use of personal mobile phones/devices

Employees are not permitted to make or receive personal calls or texts, send or receive emails or access internet or social media during work time where children are present.

Employees should ensure that mobile devices are silent at all times whilst in the classroom or where children are present. Mobile devices should not be left on display.

Employees should not use their personal equipment (mobile phones, cameras, tablets) to take photos or make recordings of pupils/students.

Monitoring of Usage

Emails, documents or browsing history on School systems should not be considered to be private and may be monitored and recorded to ensure the safety of pupils / students and ensure compliance with this policy. This monitoring will be proportionate and will take place in accordance with data protection / privacy legislation.

The School may address concerns regarding unauthorised, unacceptable or inappropriate use of ICT systems / devices or social media as a disciplinary matter.

Photography, videos and other images

Whilst images may be taken for positive purposes; to celebrate achievement, evidence an activity or for publicity purposes, under no circumstances are staff to use their personal equipment e.g. phone, camera, tablet etc. to take images of children at or on behalf of the School/Council.

Adults must not:

- Take images of children for their personal use.
- Take images using personal equipment
- Take images of children in a state of undress or semi-dress
- Take images of children which could be considered as indecent or sexual.

D. Business Conduct

Use of Financial Resources

The school requires Employees to observe the highest standards of business practice.

Employees should ensure that School/ public funds with which they are entrusted are used in a responsible and lawful manner.

Employees must comply with the Council's stipulated financial regulations and any other relevant policies/audit requirements.

Appropriate authorisation should be sought for any expenditure and audit trail/suitable records kept.

School monies, credit/debit cards and accounts should not be used for personal purposes.

The use of personal credit cards/accounts to purchase goods and services on behalf of the School should be avoided unless prior agreement from the Headteacher is obtained.

All expense claims for travel and subsistence should be appropriately authorised and accompanied by receipts/proof of purchase.

Personal loyalty cards should not be used when making purchases on behalf of the School.

Personal use of Equipment and Resources

Employees may not make personal use of the School's property, materials or facilities unless authorised to do so by the Headteacher.

Declaration of Interests

The school recognises that Employees may wish to take an active role in the local community and undertake additional personal / business activities outside of work.

In the majority of instances such activities will have no impact on their role in School. However, on occasion there may be a potential conflict of interest.

Employees should therefore declare annually to the Headteacher any financial or non-financial interests which may conflict with those of the School. Employees should also declare membership of any professional bodies or organisations which may conflict with their School role.

Should Employees be in doubt about whether a conflict of interest may exist they should seek guidance from the Headteacher.

Entering Contracts for services

Employees should follow agreed Council protocols for the award of contracts to external providers.

Employees should adhere to Council rules regarding the separation of roles in procurement/tendering process.

In particular care should be taken to ensure competition between prospective contractors is fair and open and that all competing parties are treated equally.

Employees should ensure that preferential treatment is not shown to current / former Employees or partners, close relatives or friends / associates in the award of contracts.

Employees must not accept any form of financial or other inducement which may be offered by a potential contractor. All such approaches should be reported to the Headteacher.

Confidential information relating to the tendering process, must not be disclosed to any unauthorised party or organisation.

Gifts and Hospitality

Employees should not accept significant gifts from parents / carers, pupils / students, actual or potential contractors or outside suppliers which could compromise the individual or the School.

Employees should notify the Headteacher should they receive any unsolicited gifts and return the item with a polite refusal letter to the sender. A record should be kept of all gifts which are received.

Small tokens of appreciation which have no substantial financial value (less than £25) such as presents from pupils / students at the end of term may be accepted and do not have to be declared.

Employees may only accept an offer of hospitality if there is a genuine need to do so in order to represent the School in the community. Employees should discuss any invitations with the Headteacher (or Executive Headteacher in the case of the Headteacher).

Where the School receives sponsorship of a School activity / event, care should be taken to ensure that this does not infer that the sponsor will receive preferential treatment in any future contracting / tendering process. An Employee or their partner, family member or friend may not benefit from the sponsorship.

Any reward given to a child should be in accordance with agreed practice, consistent with the school's behaviour policy, recorded and not based on favouritism.

See Council gifts and Hospitality policy

Appointment of Staff

An Employee should not be involved in a recruitment process or promotion decision where one of the applicants is a relative, partner or close friend.

Political Activity

Employees may engage in political activity outside of work – however they should not allow personal / political views to interfere with their duties. Any activity should be compatible with the Employee's responsibility as a role model to pupils / students.

Where an Employee is involved in political activity outside of work – care must be taken to ensure that it is clear that any opinions expressed are personal and that the individual is not acting on behalf of or representing the School.
