YEAR 1 OUT AND ABOUT

Recently, year 1 have been out exploring some of the wonderful opportunities for fantastic learning experiences available in London.

They visited the Science Museum followed by the Toy Museum.

At the Science Museum they explored the space area followed by the sensory play area. They had a great day.

We have also heard from the adults in year 1 that the children had a fantastic experience at the Toy Museum.

COST OF LIVING SUPPORT

Food, energy and daily living bills are rising, and many are feeling worried and anxious about money & finances.

There are services and advisors that can offer help, depending on your circumstances.

Find more information at <https://www.haringey.gov.uk/community/here-help-financial-support-residents>

STILL LIFE

Children in Art Club have been using their sketching, shading and colouring skills to sketch bowls of different shapes, colours and sizes of fruit. They produced very impressive pieces of art work which they are very proud of.

NURSERY GOES GREEN

Children in nursery have been doing lots of planting during the last couple of weeks... cucumbers, courgettes, sweet peppers, peas, herbs, sunflowers and a range of other flowers.

They hope that the weather continues to improve so they can reap the fruits of their hard work.

STEPHEN LAWRENCE DAY

Recently at Alexandra, we celebrated Stephen Lawrence Day.

Year 2 discussed ways in which we are the same as each other and ways we are different. They then produced work which both celebrated our similarities and our differences.

They agreed that the one thing we all definitely agree on is to say **NO to racism**.

Our value of the month is cooperation

SCULPTING IN YEAR 2

Year 2 have been sculptors this half term. In their first lesson, they used coloured paper to create their own sculptures.

Who knows, we may have a budding Barbara Hepworth or Anthony Gormley in our midst.

CLASS ASSEMBLIES

In recent weeks we have had wonderful class assemblies.

Firstly, **Bolivia** shared their learning through the medium of a news broadcast; the children spoke about their work and learning confidently and managed the busy news room environment with real panache.

Most recently, **Venezuela** shared their learning, predominantly through the medium of song and mime with a large emphasis on the power of story telling. It was a visual delight.

Next week **Puerto Rico** class will share their learning. Class assemblies are in the **main hall** on **Friday** morning at **9:00**.

YEAR 6 AT THE ZOO

Recently, year 6 had a wonderful day at the zoo. They were fascinated seeing the beautiful and intriguing animals at such close quarters.

SUMMER FAIR

We were delighted with the large number of parents who attended our first Summer Fair Meeting last week.

The next meeting will be on **Wednesday 5th June**; we welcome all the support that you can offer.

ATTENDANCE

The winner of our family ticket to London Zoo for the attendance challenge was **Liman** in **Argentina** class.

The class winners for the best attendance during the challenge, who will have a class picnic to celebrate, were **Paraguay, Costa Rica, Argentina** and **El Salvador**.

SUPPORT FOR PARENTS & CARERS

If you are a parent or carer seeking support or guidance related to parenting, you might find **Haringey Council's new parenting website** useful. The website offers a range of resources for parents and carers, including information about various types of support available in the borough.

Additionally, the website includes a comprehensive parenting support program that provides a **list of current services** that offer **parenting courses, programs, workshops, and projects** in Haringey.

To access the website, simply click on the link provided.
